WATCHPAX 30 MEDIA SERVER

The WATCHPAX 30 is the latest addition to Dataton's range of compact, dedicated, media servers.

Like all WATCHPAX servers, it's engineered to playback your WATCHOUT shows with minimum fuss and maximum punch. What's more WATCHPAX 30 is robust, easy to transport, and presents an elegant, stylish exterior. In other words, it's great behind the scenes and front of house!

Designed for permanent and temporary installs, WATCHPAX 30 features four HDMI output channels and is supplied with EDID emulators.
